**EASTER RAFFLE DONATIONS**

Last year we had a very successful Easter Raffle with 26 prizes given out to families and the community and a profit of $800.

We are again running the Easter Raffle and ask for parents to donate eggs and other Easter goodies to the collection. Small or large donations, it all helps to make it another successful raffle for the school and ultimately the students.

---

There will be boxes in the classroom for donations or you can drop them into the office.

---

**$5 000 CLASSROOM MAKEOVER – COLLECT THOSE TOKENS FROM THE NEWSMAIL**

Imagine what our school could do with a $5 000 classroom makeover from Staples™. The school with the most tokens wins, so help our students and school by collecting as many tokens as possible. A token will be published daily in the paper from Saturday 14 February to Monday 16 March 2015.

Please place all tokens in the locked boxes in the classroom or drop into the office.

Happy Collecting!!!

**CHATTER MATTERS. NEW “SPEAK” APP**

The SPEAK, (Speaking Promotes Education And Knowledge), oral language app has been developed by the department as a joint initiative with Queensland Health and Redland City Council to help develop children’s speaking and listening ability.

SPEAK is for anyone who wants the best start in life for their child and provides a fun, convenient way to make chatter matter.

The SPEAK app is available for free download from the iTunes store and Google Play.

**SCHOOL RULES**

Our school has identified the following 3 overriding school rules to teach and promote our high standards of responsible behaviour. They’re all based on the idea of “caring”:

- Care for yourself
- Care for others
- Care for your environment

Caring for your environment can be as simple as putting rubbish in the correct container.

**SPELLODROME HIGH FLYERS**

Students in the Macs class only have to score 300 points in Spellodrome each week. However, quite a few live up to our school motto of “Aim Ever Higher” and go well beyond that minimum expectation.
