Check your children regularly to avoid the spread of lice to other students.

Looking for a “Solution”? Have a read of the information under the “P&C News” heading in regards to a great products some of our parents are already using and give glowing reports about.

SCHOOL RULES
Our school has identified the following 3 overriding school rules to teach and promote our high standards of responsible behaviour. They’re all based on the idea of “caring”.
- Care for yourself
- Care for others
- Care for your environment

Caring for yourself can be as simple as wearing your shoes and socks at all times.

SPELLDROME HIGH FLIERS
Students in the Macs class only have to score 300 points in Spellodrome each week. However, quite a few live up to our school motto of “Aim Ever Higher” and go well beyond that minimum expectation.

Special congratulations to Ayla (1 000 points), Cody (1 000 points), Dylan (2 150 points), Finley (1 580 points), Chelsea (1 000 points), and our top scorer, Noah (3 735 points) who all finished with fantastic scores in Spellodrome last week.

CRAZY HAIR DAY
We’ll be holding a Crazy Hair Day on Wednesday, 1 April. Different hair styles, colours and even wigs are allowed on the day.
You do not have to take part in the day if you do not wish
to. If you do take part, we're asking for a gold coin donation. We'll send all money raised onto “Camp Quality”. Camp Quality is a children's family cancer charity. Their purpose is to create a better life for every child living with cancer in Australia.

Keep in mind that, should the crazy hair prevent the wearing of a broad-brimmed hat, we cannot allow that student out in the sun to play. Damaging UV rays do not take a break on charity days.

Kind regards,

P&C News

Our meetings have now had a time change to 4:00pm - next meeting with be held in the Library on Wednesday 22nd April from 4:00pm.

HEAD LICE
The P&C will have a continuous Fundraiser selling the following product from The Happy Ladybug – Head Lice Removal service which is located at 21 Garland Street, Norville.

This Natural Product “Liceworx” will be sold by the school in a pack containing the solution and the comb and also just the solution on its own.

Several parents at Sharon State School highly recommend this product and when mixed with water and sprayed daily is an excellent deterrent.

We will be stocking both the packs and the solution after the Easter holidays for sale in the Tuckshop on Tuesday and through the School Office, Monday to Friday. P&C is only able to accept Cash Sales.

Packs (solution and comb) $30
Solution $20

The solution as a deterrent will last you several months and parents have mentioned that they have had no issues with head lice with regular use of the product.

If you wish to get a hold of the solution and/or comb prior to the school stocking it – please contact Christine Binns directly on 0438 169 928 and mention you are from Sharon State School and the P&C will still benefit from the sale.

AGROTREND RODEO

We have been given the opportunity to help out Rotary on Friday 15th May at the food/drink stalls at the Rodeo. The P&C will be given a payment by Rotary based on their profits for the night and how many volunteers we provide.

We have places available during the following shifts:
3:30pm to 5:00pm – help set-up
5:00pm to 9:00pm – serving

If you are able to help out in either of these two time slots please contact the Office to be added to the roster.

CENT SALE
Our first Cent Sale for the year will be held at South Kolan Hotel on Saturday 18th April which is during the School Holidays.

We are looking for volunteers in the following areas:
