MISS HICKS ON LEAVE
Miss Hicks will be on leave for the whole of next term. While we haven’t finalised a replacement as yet, we will not be losing any aide time during the time Sarah is away.

THANK YOU
It’s very obvious that fewer people are using the 2 minute loading zone after school. Thank you. While we can never make after-school pick up perfectly safe, fewer people using the “drop & go” section after school has certainly made it safer. Thanks so much for helping us to keep our kids safe.

YET ANOTHER THANK YOU
Our old faithful bbq was obviously unwell last week. While I was organising for it to be checked over, Rhys and Izac’s Dad came in to have a look at it, didn’t like what he saw, went straight to town and bought a brand new six-burner bbq for the school. I often mention to the kids that, as humans, we’re all very good at noticing that something is wrong. The ones who make a difference are the problem solvers who actually do something about it. Thanks so much Karyn and Jamie for your kind donation.

AFTER SCHOOL DRAMA GROUP PERFORMANCE
Our after school drama group wrapped up their term’s work with a very entertaining show for parents on Monday. Many thanks to Mrs Mac and Mrs Dudman for volunteering their time to work with the kids on Mondays after school. And a very big congratulations to our performers who had to learn lines, songs, dances and positioning to deliver their story from the stage.

SCHOOLWATCH. PH . 13 17 88
With the holidays fast approaching, we need you to look out for after-hours crime in our school.

If you see anything suspicious, please don’t attempt to intervene. Call the School Watch number – 13 17 88. The School Watch Program is a partnership between Education Queensland, the Queensland Police Service. It aims to reduce vandalism, theft and arson in Queensland schools.
UNDER 8S’ DAY AT WALLAVILLE

On Friday, the 4th of June 2013, we went to Wallaville State School. We got there by bus. The Preps, 1s and 2s from Sharon and Mt Perry visited Wallaville State School.

Some of the things my group did were getting our face painted, hair sprayed, bubble blowing, dancing and marble prints.

At the end of the day, we had a sausage sizzle.

My group and I loved the jumping castle the most.

HAPPY HOLIDAY!

Enjoy the holidays with your family and have a happy but safe time. We’ll see everyone back refreshed on Monday 8 July. Remember that Monday 8 July is NOT a Pupil Free Day.

Kind regards,

P & C NEWS

Last Friday, the prep, year one and year two students went to Wallaville State School for Under 8s’ activities.

When we first arrived, we had morning tea and then we were put into groups with the children from Wallaville and Mt Perry.

After we were put in our groups, we did lots of fun activities like making playdough, face painting, dancing and going in a jumping castle. Then we had a delicious lunch of a sausage sizzle and popper with chips or fruit. After lunch, we got on the bus and came back to school.

Everyone had a fantastic time and next year Wallaville and Mt Perry schools will be coming here. We can’t wait.

MTAHS OLYMPIAD ANSWER FROM LAST WEEK

Start with “A” & “B”.

The only two different one-digit numbers which multiply together to get an answer that ends in “1” are “3” and “7”.

Since 73 x 7 would be too large, it must be 37 x 3.

Thus, A = 3 and B = 7

Use the same method to find “C”. The only single-digit number that multiplies by 7 to get an answer that ends in “2” is “6”. Thus, C = 6 and ABC must equal 376.

SACRAMENTS PROGRAM FOR CATHOLIC CHILDREN:
A preparation program for the childhood sacraments of Reconciliation, Confirmation and Eucharist will begin soon through the parish. Usually children 8 years of age are able to prepare. An Information and Inquiry Session for Parents only will be held on Sunday, 4 August, 10.30am OR Wednesday, 7 August, 7.00pm at Rossolini Place, the Parish Office, 66 Woongarra St. Contact 4151 6666 for further information.

What people are saying...
What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realised quickly that 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child who later downs the line, needs excessive discipline or grows out of control.

Who is running it?
The presenter for this course is Amanda Ericson who is a Behaviour Consultant with Education Queensland.
Amanda is an accredited 123 Magic & Emotion Coach Trainer who presents this program at various schools and venues.
