SCHOOL RULES
Our school has identified the following 3 overriding school rules to teach and promote our high standards of responsible behaviour. They’re all based on the idea of “caring”.
- Care for yourself
- Care for others
- Care for your environment

Caring for others can be as simple as being in the right place at the right time.

SCHOOL DENTIST
School Dentist notes were given out last week and this week, (depending on which class your child is in). The dental van will be arriving at our school on Thursday, 6 August. Representatives from the dental van will be collecting returned forms tomorrow and every week until the van arrives. Even if your child will not be visiting the van, please return the form so that we can be sure it made it home for you to see.

MATHLETICS 100% CLUB
Students in the Macs for maths are set a Mathletics task each week. While we try to set the task at the ability level of each student, it takes a lot of concentration & determination to pick up a perfect score. Congratulations to the following students who did exactly that: Bryce, Mitchell G., Lena, Kateisha, Byron, Olivia & Alex.

SPELLODROME HIGH FLIERS
Students in the Macs class only have to score 300 points in Spelldrome each week. However, quite a few live up to our school motto of “Aim Ever Higher” and go well beyond that minimum expectation.

Special congratulations to Cloe (1 00 points), Jack W. (1 000 points), Finley (1 670 points), Lena (1 155 points), Olivia (1 000 points), Madi (1 160 points), Kateisha (1 020 points), and our top scorer, Katie G. (2 160 points), who all finished with fantastic scores in Spelldrome last week.

**Head to the Childers Festival for free family fun!**

There’s plenty to keep the whole family entertained at this year’s Childers Festival from Saturday, July 25 to Sunday, July 26.

In addition to 95 tempting food vendors inspired by flavours from across the globe, there will be non-stop entertainment to delight children of all ages. Kids will be wowed by Street Science’s educational performance. From coloured fireballs through to nitrogen clouds, the show is entertaining and explosive! Street Science will perform on the Main Stage on Saturday afternoon and Stage Two on Sunday.

For show stopping entertainment look no further than The Incredible Flea Circus presented by TuttiFrutti.

Gasp at the High Dive! Marvel at the Flying Trapeze! Meet the Strongest Flea in the World! The Fleas, the stars of the show, are coming to the Childers Festival direct from the whiskers of a sea lion, the trunk of an elephant and the belly of a fruit bat. Find the fleas on Stage Four on Sunday morning.

John Sharp from Itz Magic will deliver two amazing comedy magic shows on Stage Four on Sunday afternoon. Earlier in the day, John will perform his distinctive version of “Walk Around Magic”. Don’t miss Starshine - a Hula Hooping Wonder on Wheels on a mission to take the joy of hooping to the World and will be whirrrrrrling around the festival on Sunday afternoon.

More kids’ entertainment can be found at the eastern end of Crescent Street, with camel rides operating both Saturday and Sunday and a Youth Space featuring kids’ games and amusement rides designed with the teenager in mind running on Saturday afternoon. On Sunday, kids can take advantage of FREE face-painting in Crescent Street or try some of the amusement rides on offer at both ends of the Main Street. Keep an eye out for stallholders who offer a wide range of activities for kids from air brush tattoos to wax hands. For something a little quieter, Bundaberg Regional Libraries Youth staff will be telling stories, singing and using puppets in the courtyard behind the Palace Building.
