SATISFACTION SURVEY
It’s that time of year again! Education Queensland’s School Opinion Surveys have arrived at the school. Our OneSchool computer management program will randomly selected 40 of our families to receive parent satisfaction surveys. Your responses to this survey will provide data for our planning for the 2014 school year.
Surveys were sent home last week. Please seal your survey response in the envelope provided so it remains confidential. To allow us to get the form back to Brisbane on time, please return the survey by this Friday, 9 August.
Along with “selected” families, all school staff and students from Years 5 & 7 will receive confidential surveys that are completed in school time.

MISSING MONEY RETURNED
I was extremely disappointed to discover that money, meant for the Auskick program, went missing from a classroom tidy tray last week. Thankfully, the money was returned this week which means that no one is out of pocket.
The Auskick money was not meant to be handled by the school and, as has been the case in previous years, some of the children kept money in their bags or tidy trays until needed in the afternoon.
The incident tells me that students should be putting any significant amount of money, (whether it is meant for school purposes or not), into the secure boxes located in each classroom. Please ask your teacher if you’re unsure of the location.

Kind regards,

The monthly P & C meeting will be held this Thursday 8th August at 7pm in the school library. All very welcome.
